

**OSS Training
for enhance productivity of higher
education and small medium enterprise in
Yogyakarta Province**

**by : Irya Wisnubhadra,
Atma Jaya Yogyakarta University, Indonesia
Asia OSS Workshop, 8-10 March 2010, Singapore**

The background of the slide is a collage of images. On the left, there are several computer monitors and keyboards, with people's hands visible as they work. On the right, there is a group of people, including an older man and a younger man, looking at a screen. In the top right corner, there are images of modern skyscrapers and a person's face in profile.

The screenshot displays the ANTARANEWS website interface. At the top, there is a banner for the National Portal of the Republic of Indonesia. The main navigation bar includes categories like Peristiwa, Nusantara, Mancanegara, Ekubis, Olahraga, Hiburan, Iptek, Warta Bumi, Artikel, Foto, TV, and English. The featured article is titled "Malaysia Hargai Yogyakarta 'Destinasi Wisata Terbaik 2008'" and is dated Friday, December 19, 2008. The article text states that the Malaysian government has awarded Yogyakarta as the best tourist destination in 2008. A sidebar on the left contains a navigation menu with options like "Tentang Indonesia", "Lembaga Tinggi Negara", "Kementerian", "Setingkat Menteri", "LPJND", "Pemerintah Daerah", "BUMN", and "Perwakilan Negara". A survey pop-up is visible on the right side of the page, asking for feedback on the website.

YOGYAKARTA TUJUAN WISATA TERBAIK 2008
19-12-2008

KUALA LUMPUR - Daerah Istimewa Yogyakarta (DIY) sebagai "Destinasi Wisata Terbaik 2008" atau tempat tujuan wisata terbaik di Asia Tenggara tahun 2008, penghargaan diserahkan oleh Menteri Pariwisata dan Ekonomi Kreatif Malaysia, N. Haniffah kepada Kepala Perwakilan RI di Kuala Lumpur, M. Tazbir, SH, MHum, "katanya."

Penghargaan diserahkan oleh Menteri Pariwisata dan Ekonomi Kreatif Malaysia, N. Haniffah kepada Kepala Perwakilan RI di Kuala Lumpur, M. Tazbir, SH, MHum, "katanya."

Terpilihnya Di Yogyakarta sebagai destinasi wisata terbaik di Asia Tenggara mendapat sambutan baik dari masyarakat. Hal ini menunjukkan bahwa Yogyakarta memiliki tradisi dan kontemporer, serta menawarkan pengalaman wisata yang mengunngun.

Ketua panitia penganugerahan wisata terbaik di Asia Tenggara, M. Tazbir, SH, MHum, "katanya."

"Sejak dibukanya jalur Kuala Lumpur - Yogyakarta, pariwisata di Yogyakarta semakin berkembang. Hal ini menunjukkan bahwa Yogyakarta memiliki tradisi dan kontemporer, serta menawarkan pengalaman wisata yang mengunngun."

Collaborate and communicate

OpenKM is a document management system with a web user interface for finding your documents.

Home Products Buy Now Support About Us

DOCUMENT MANAGEMENT SOLUTIONS FOR EVERYONE

A powerful open source alternative for Enterprise Document Management.

Enable users to collaborate on projects, share documents, create schedules, and manage tasks.

WHAT IS OPENKM?

OpenKM is focused on creating applications with the following characteristics that can be used for knowledge management, project management, and other applications.

The use of a knowledge management system allows the use of all the available resources of an organization. Through these systems the information is both globally accessed.

Why use a Document Management System ?

Enterprises store documents, images and electronic for time consumption and user information.

On the enterprise side, documents are stored on hard disk. No information is shared between enterprise servers as needed.

Epiware for your web based document sharing needs

Because everyone's requirements are different for document management, we offer options.
